Photo Arts Club of Toledo

ABOUT US

The Photo Arts Club of Toledo is a resident organization at the Toledo Botanical Garden. Our purpose is to provide educational opportunities to members and the public. We pursue individual photographic goals with contests, informative programs, club shooting trips and group meetings.

FACILITIES

Our clubhouse is in the Village area at the Toledo Botanical Garden. This facility contains a well-equipped darkroom. Our studio provides backdrops and portrait lights. Slide projectors and dissolve units are available. We also have a computer for scanning film and burning to a CD.

MEETINGS

Our twice-monthly meetings offer a chance to learn or refresh your knowledge of various aspects of photography. Guest speakers, slides shows, contests, and a variety of presentations are included in our schedule. We meet most 1st and 3rd Thursdays at 7:30pm in the Conference Center of the Toledo Botanical Garden. In the summer, we meet in our clubhouse or on location. Call 419-536-8422 for the current schedule.

SPECIAL INTEREST GROUPS

In order to more closely pursue individual interests in photography, special interest groups meet in the clubhouse. Periodically, the content changes to meet the members' needs.

OTHER ACTIVITIES

Several photographic trips are planned throughout the year.

EXHIBITS

Members are offered the chance to exhibit their photographs in various galleries in the Toledo area as well as in the clubhouse.

EDUCATION

We provide opportunities for the public to learn about photography by offering classes and seminars on beginning and advanced levels.

INFORMATION

Our monthly newsletter, the "Viewpoint," will keep you informed about club activities and other photographic happenings. This information is also updated by e-mails.

WHO SHOULD JOIN?

Beginning as well as experienced photographers and anyone in-between are welcome and encouraged to join the Photo Arts Club. Guests are always welcome.

DUES SCHEDULE
