Feb 11, 2010**

**The February meeting of the Photo Arts Club of Toledo was called to order at 7:05PM by president Steven Stalker.**

**Al Henderson, membership chairperson, indicated that the club now has 134 members. 23 of which are in need of renewal. It was also noted that an additional 6 people will need to renew in March. This brought about a need for a larger building, in the future if our clubhouse does not allow for this many members to take part in activities.**

**The next set of classes in addition to the last two sessions of the first set of classes (Feb. 23 and Mar 2<sup>nd</sup>) will be held in the Tribley Methodist Church 5913 Secor Road This is North of Alexis Road.**

**At this writing there are 18 people signed up to take this 2<sup>nd</sup> session.**

**Donna Gotschalk explained that in her talking with the Botanical Gardens leadership that none of the available buildings in the Gardens would be any larger than the one that we now rent.**

**We will wait and see just how many new members actually take part in meetings and activities.**

**Donna Gotschalk, Treasurer, gave an oral account of the treasury. Upon request, Ms Gotschalk will share this information with any member in good standing.**

**The monthly contest rules were gone over and new additions of Digital rules and clearer information of rules were discussed and changed. This information will be made available to all members and will be on the website as soon as all rules have been approved.**

**The Annual Contest was the next set of business and all seems to be in place for a great contest. Prizes were counted and a need for several more would be appreciated. Sign up sheets will be available at the next meetings for volunteers for the contest activities.**

**Suzanne Alexander, Dean Hoard and Wennie Anderson will be the Nomination Committee and calls will be attempted to every member.**
