**December 2008
Board Meeting**

The meeting was called to order by President Todd Grinonneau at 7:05.

The treasurers' report was graphically presented by Treasurer Al Henderson. A full report is available by contacting Mr. Henderson.

Membership is up slightly with several renewing their membership and new members.

It was brought to our attention that a member asked for a hardship membership, we discussed this and all that it might develop into and decided to not go there at the present time.

The bulk of the meeting was then put into going over the Contest brochure. This took all of our time and energy but the time was put to good use and the brochure was been thoroughly gone over and good changes were made.

Heralding the Holidays are over and was proclaimed a great success. The clubhouse looked great and thanks went out to Chairperson Dean Hoard and committee members Betty Houston, Ben and Wennie Anderson. A great deal of volunteer hours was recognized towards our hours for the gardens.

We also discussed having a voicemail from Gizmo for \$35.00 per year. We dismissed the idea and feel that the Website should take care of our needs for now.

Teachers for the upcoming "Improving Your Photography" classes have met and the classes will start January 13 and run for 6 Tuesdays from 7:00-9:00 with a different teacher each week.

Members are asked to register a head of time as we need to know how many to set up for. Enrollment is limited!

Reminder: Let's all send TJ one item or article to include in the newsletter each month.

The meeting was motioned to close at 9:40 by Mike Essi with a second by TJ Singh.

Respectfully submitted by
